WOW~!
HA~A!

They are kissing for real. See their tongue going in and out. Isn't that a scandal ?
Realism is important for movies.
Why did the video store guy... recommend this movice as a service
You have the tape that hes Mu Hyeon Ha CF, right? Play that.
Leave the movie on.

Why is she watching it ? She was the one who insisted on banning all adult materials until graduation ...
Is she trying to educate herself since she has got a boyfriend now?
Brothers..., have you kissed before ?
W.., what... no way would we have done such indecent stuff !
Of course ! The only relationships we will have are all platonic !

Janimes
www.janimes.com

I ... haven't done it before, right ?
Of course ~ ! Who would dare to attack your lips ?!
Unless ... unless it's a group of suicidal people, it's impossible !
But ... why does it feel like I have done it before ?
Soft and warm ... and it somehow smelled like orange...
I think I had such a sensation before.

Why ...
What didn't it feel strange even when it was the first time ?
You are hard to be seen these days. Must be busy, huh?

Yeah,
I had to
do some
scouting...
Ho - oh,
another one
to fight, I see.
Yeah...,
it's ... something
like that ...
What's wrong
with me.
I feel somewhat
guilty.
The bell is about
to ring ...
I have to go and
study before
class.
You are
acting like
a nerd.
You are
showing
some new
faces today.
You ...
you should
study, too.
After all,
you are
a senior.
You are
worrying
about me ...
should I drop
few tears?

Janimes
www.janimes.com

Can't be ~
Tears blurred my sight. So, my leg went wrong way.

Summer is near ... a lot of mosquitos lately ...
I.O.I

Aren't you grateful I killed a mosquito before it pierces your skin
Has he gone completely nuts? Why is he not attacking back?

Don't you regret the time you've spent with me
Did my punch hurt that much you are going to terminate this relationship because of just one mean punch
Well why would regret Well do grow an urge to kick your butt when you go all psycho though
Even so you are one nice subordinate
You never regret never will

isn't that obvious
Hey
The bell ringed
Tell me so if it hurts
will let you have another kick on me
At that time you did say you did regret the time you've spent with me

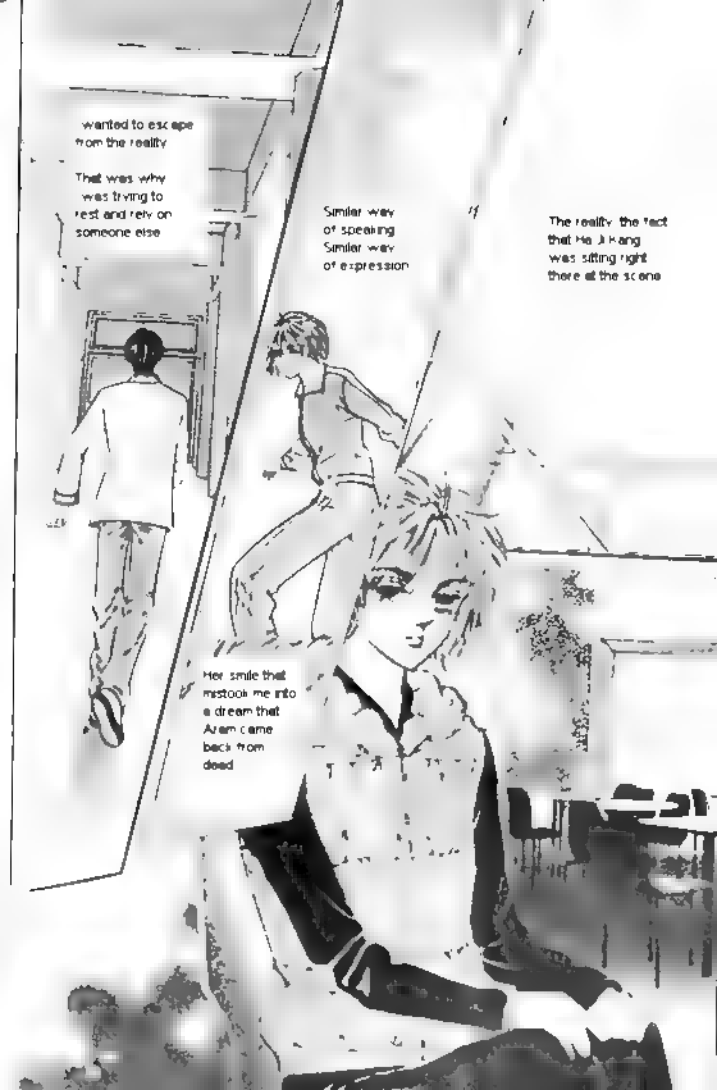
And
Knowing how
am bet will
make you say it
once again

Fencing club
Has the cheap principal gone insane? I am sure that he said something like not starting clubs that will cost money
Sin Joo ~
Hey good to see you
I was looking for you yesterday You were at school Where were you ?
You said you'd take me to a chopper show I was expected to see it

www.janimes.com

He looks like he is angry at me Well he still smiles though
Idiot No way would someone smile when they are angry
Well the nuance is weird But let s talk about it later
have to go to the staff room

www.jaimes.com



wanted to escape from the reality
That was why was trying to rest and rely on someone else
Similar way of speaking Similar way of expression
The reality the fact that Ha Ji Kang was sitting right there at the scene
Her smile that mistook me into a dream that Ajeom came back from dead

was trying to escape from a fact that everything began from Ha Ji Kang
It was self-consolation
was ensuring myself that her innocent way of speaking could never drive someone to do such a thing
was busy trying to make excuses for myself to calm down

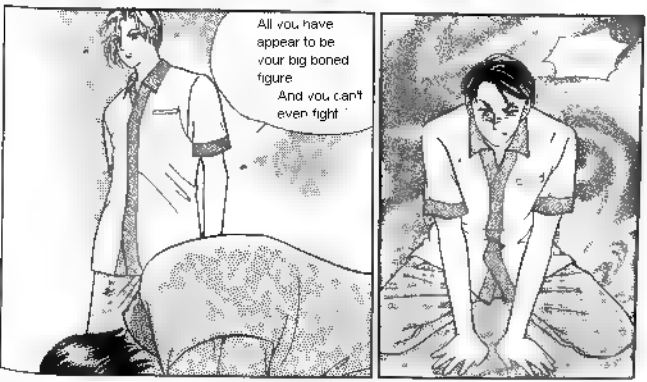
Sorry
I am really sorry Aram
From now on I will not hesitate

So
you came to
file a complaint

Shouldn't you be controlling your girlfriend rather than coming to see me
It was her who approached me while calling herself a fan
She is just an innocent gir f you did not stick out your hand to her she would have been just a mere fan
What are you saying Seong Sic Park ?! It was Jin Hui who was a bitch
Just who do you think you are to badmouth our Mu Hyeon oppa

That s enough
The fault is
partially mine
as well for not
refusing her
Mu Hyeon oppa
Fine
will not see
your girlfriend
again
am already
tired of her
anyway

Oppa !



All you have appear to be your big boned figure
And you can't even fight

Janimes
www.janimes.com

ou've put
on a lot of
makeup as
sual
Don't back off
was a loner
but I've worked
my way and
become
one of the
top 10 CF
star
As long
as can
resist his
malicious
tongue
have a
chance
From a close
distance
you looks like
you have a thin
mask on you

Is that your own way of provocation? How childish. If that is your only card, would you mind stepping aside?
My nude makeup is perfect
Even if I get punched once or twice, sympathy will make my slaves even more devoted. Either way, I will benefit
Hmm, you did grow some guts
All right, I will step aside
Look at you, push a little strong and you drop your tail already
Ah

Mu Hyeon Ha there is a rash on your chin
R really Damn it - This is why told them not to change the brand of the powder
No No Why does my image always break whenever he appears
want to transfer There are a gangster that is immune to my technique a guy with full of charisma and Sin loo who can manipulate me
really don't like this school am going to transfer
Mu Mu Hyeon oppa ?!

www.jaimes.com

ou bastard
A guy with double face
like yourself should
be crippled for entire
life
Do do you
know who am
f my father s brother
finds out about this
will make
sure you won't
brag about that face
of yours
our background
won't work
am going to finish
you today and
am going down
with you

No
not the face
Who assigned
that stupid
idiot to our team ?
He just shot the
ball to our
own goal
See?
He cried by
just one little
punch
You are so weak
you always faint
Don't play with him
What can you do ?
You stupid useless
idiot
It is a shame that
you were born in
this family !!

No !
told you not to use a knife without being aware of responsibility
Jjang !

Some beating won't mind But if a knife is involved it's different
That bastard made Jin Hui cry He wasn't serious about her He was just playing with her
That's a misunderstanding
Don't try to come up with an excuse He is not a kind of guy who'd do this without confidence
This is the end She finds out about me having an affair while trying to establish a relationship with her

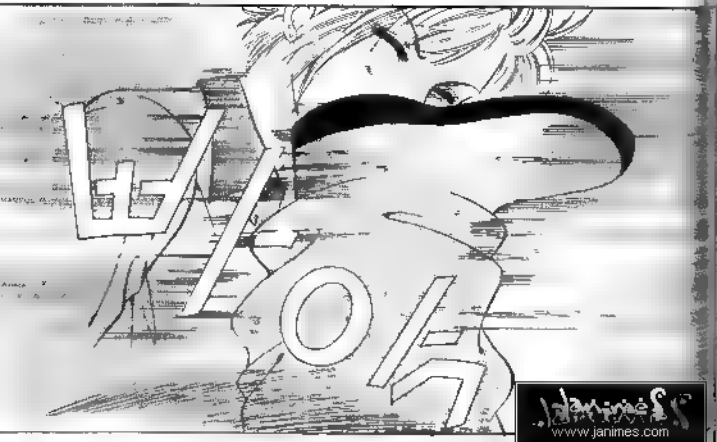
But that is my friend
Do not touch her face

Jiang
Don't tell me
you are trying
to protect someone
like him ?!
Shoot -
shouldn't
we just
let him go
Jiang said
he was her
friend
guess his
public proposal
worked -
guess Jiang
is a woman
after all
Shit - !
Someone like
him is
a friend ?!
Take it
easy !
ou stupid idiot
ou are weak
To make worse
you even have so
much fear

www.janimes.com

But
you are
prettier than
anyone else
I've seen

am not joking
Having a face
that can attract
people s attention
s a good thing

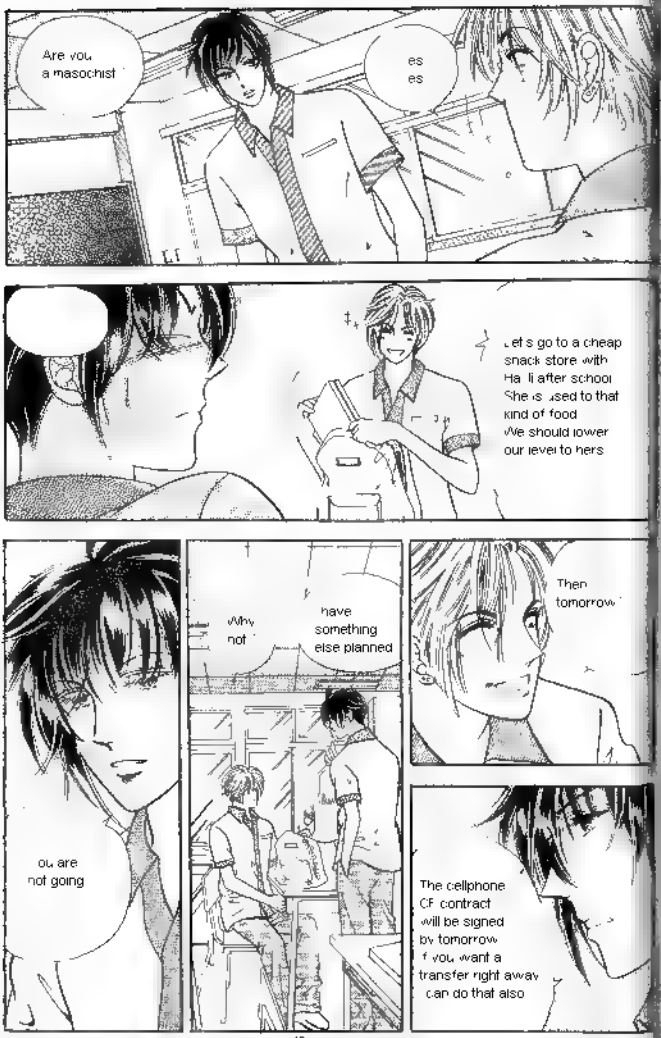


www.janimes.com

Hey stop it
Jjang said no
face
yeah
this is
enough
Let's go That guy
is giving me
creeps Well
no friend of jang
is normal anyway
Yeah Han Seo is
a crazed
psycho and
you know how
Jeong Hyeop is
when he goes off
If you approach Jin Hui
again will cut your
face into pieces

She said friend
No falling in love
No like nothing to do with relationships
A friend , she said !

Were you assaulted or something?
Yeah



Are you a masochist
es es
Let's go to a cheap snack store with Hali after school She is used to that kind of food We should lower our level to hers
You are not going
Why not
have something else planned
Then tomorrow
The cellphone CF contract will be signed by tomorrow If you want a transfer right away can do that also

Why
don't need
to transfer
right away
Stop displaying
your stupidity
This means you have
no use anymore
Get your hands off
the gangster
Why ?
The play is
over now

Sin Uoo !

Run !
We are saved
f Han Seo caught us
both we'd have been
beaten to a pulp
ou see
skipped the
gathering today
Why wasn't
Mu Hyeon
here

www.janimes.com

He is not feeling well So he went home
What he got beaten few times and it did so much damage to him This is why I dislike weaklings
Ah right he is a CF star
You won't be seeing him much from now on He has a lot of schedule to do

더컹
더컹
더컹

All right people said he looked like a CF model
Is that why My eyes keep heading to his direction
But Mu Hyeon Ha is more handsome as far as only face is concerned Why is that Sin Joo looks more attractive than Mu Hyeon

Are you interested in me
sense your sight often could not tell whether it was a positive or negative sight though
It s certainly positive am not trying to provoke you

I know that lately you've been following me around without trying to put up a fight
Right I was supposed to fight Sin Joo
completely forgot about that
Didn't you just need an excuse
How could
An excuse to follow me around all the time

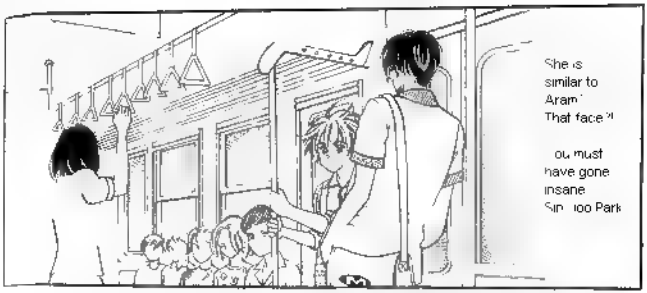
Me
No way
Maybe you are right
How could have forgotten such an important mission have no excuse
Of course liked Sin Woo's face from the first time saw him So kept looking at him since it made me feel good and stuff
Argh
It's not until 19 rule that Han Seo reminded me not long ago

www.janimes.com

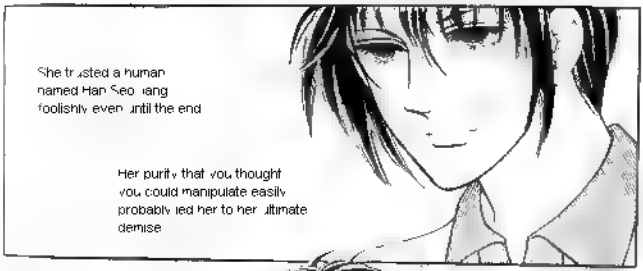
No
have to graduate
as a jjang
am in late stage
of my period
cannot cause a
scandal and leave
an error to my record

You don't
dislike it
do you

Be honest to your own feelings
Thinking and calculating are not something that suits you.
Just go with scandal



She is similar to Aram
That face?!
You must have gone insane Sin Joo Park



She trusted a human named Han Seo Jang foolishly even until the end
Her purity that you thought you could manipulate easily probably led her to her ultimate demise

I will pay you back with everything including the sensation of betrayal

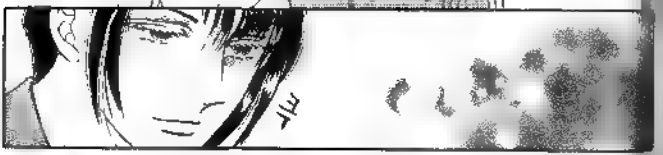
How far are you going
Is your bike somewhere here
Sin Joo
Hey Sin Joo
Park
Don't you ignore me

Hey
you
He looks so cool even when ignoring me
Yeah this is certainly the sensation of love

They are
professionals

will handle them
ou run as far as
you can
don't think can
take them at once
though

Just do what say
We are in no
situation to protect
a man's pride



Five
f can lure them into an alley and
fight one by one might have a chance
But considering where am that s
not possible

Blitzkrieg
Aim for vital parts

Sin Uoo !
Run !
Sin Uoo Park

Sin 100
Argh -

Just letting
you know what
we were ordered
to do next am
First of all
we are going
to sever
your true Achilles tendon
on both heels

As you know those muscles are for walking running and jumping
After then we are going to cut every important muscles so that you will never be able to use your strength again
Who ordered you to do this
Quit acting like a fool You know the answer

Damn -

Who cares !
Push down !

the police !
Looks like they are real

We will meet again
Sin Joo Park didn't know you had so much fear
You couldn't move because you got too scared right? You couldn't run

ou couldn't
run like a fool

Where?
De Seong
hospital

Han Seo
Han Seo Jang
Ha Il fell into a trap
They weren't amateurs
If Ha Il ended up in a hospital they probably were

Declaration
Sin Joo Park s
Looks like the provocation took its full effect on him Sin Joo Park has gone mad seriously this time

www.jaimes.com

ou included Ha li
Sin oo Park s target was you And Ha li was only a tool to provoke you
But f he sees Ha li as an enemy of the same level as you are his target will be Ha li instead
Since even Sin oo Park cannot directly attack you
ou knew this was going to happen
It s fun
He swore to revenge without knowing anything He was around me just to pinpoint the right time but he never did anything while his real target was right in front of him

Yes it's illogical
It cannot happen
in reality
But Jeong Hyeop Na
we both acknowledge,
yes ?
Isn't it funny ?
This is turning into
a comedy show
Ha Ji has forgotten
everything about it
But we both know
who Aram was

you
Sin Joo Park
am going to
sue you
My trademark
my face

f you interfere me again it will be a knife you will be facing
will make your only worthy piece into trash
What are you talking about know you well No way would have done it
It was you who called the police right
don't know what you are talking about
Do you really think wouldn't recognize your voice It was you who shouted

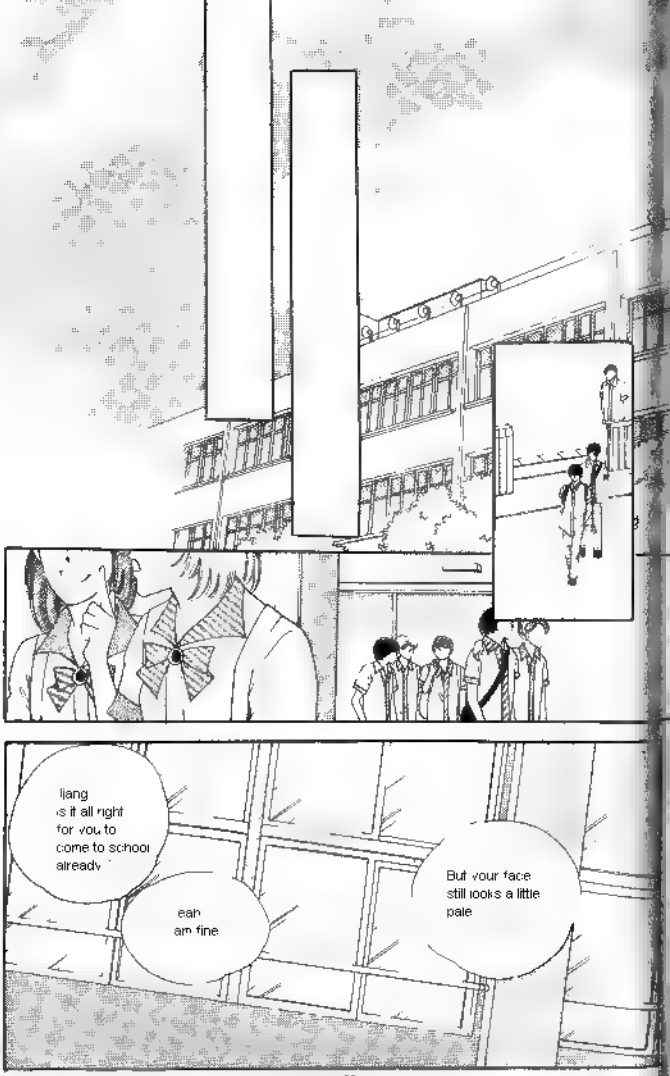
Don't you feel sorry for you
She was trusting you even when it was obvious
do very bad things to women But don't do such a thing to people who trust me
So
No what I am saying is I will do anything you ask me to do

An idiot
So he is serious in his own way, huh
Looks like Ha Ii has more charm than expected
I guess the event wasn't enough to break it
Hospital again the old woman is going to kill me for sure
OH

All right then
will destroy your
trust first
will make sure
your positive character
won't surface again

타이
No
Let's go down together
Sin Joo Park
I hate going down
alone

Let three of us
go to hell



liang
is it all right
for you to
come to school
already
eah
am fine
But your face
still looks a little
pale

Aahah
the old woman
has been torturing
me so
Ha li looks
cute in her
own way
Come to think
of it she
does have good
points
Strong
trustworthy
and fights
well
!@#$
what are
you doing
here
You look
like taking
shit
Well she
does have
harsh
mouth
but everyone
has one or
two bad points

Ha li
didn't you used
to go to Garam
kindergarten

Garam
kindergarten
Well was
was in a
kindergarten for
a short while
Maybe that was
Garam
went for
about a month
Then the old
woman wouldn't
pay So
was kicked out

For about a
month
es She was
in for about a
month too

Maybe it was
Ha li
When you
first saw me
did you get a
feeling that
looked a bit
familiar
What am saying
is we might
have met in a
kindergatern

No way would
remember who
met in a kindergarten
clearly
Why
Have we met
before

What
don't tell me
you are going
to claim that you
defeated me once
in kindergarten
with a fist like
yours
No
no way
No way would
I throw my fist
at you
Hey the bell
is ringing Go to
class
Ah
Be cautious
about
Sin Uoo !

Do not trust him
at all
Do not take Sin Joo's
smile as it is
It will do no good
for you
Damn
You
badmouth
your friend !!
Trust me please
I always lie but not
this time
If I catch you
you are dead
탁

Don't be driven by others
If you've decided to trust someone trust until the end
If a gang is driven by what are said by his or her subordinates that'd be a shame
Don't be stupid
Don't be driven by such comments

Trust Sin too
know
Image Sin too
by only what
know

Are you hungry?
Would you like
some spagetti ?

Ahah he is a good guy am glad kept trusting him
Uh ? yeah he hasn't come to school for days
haven't seen Han Seo Jang for some time
Did something happen to him? He always made fun of me when got hurt and hospitalized
Well he will be busy for some time
Huh?

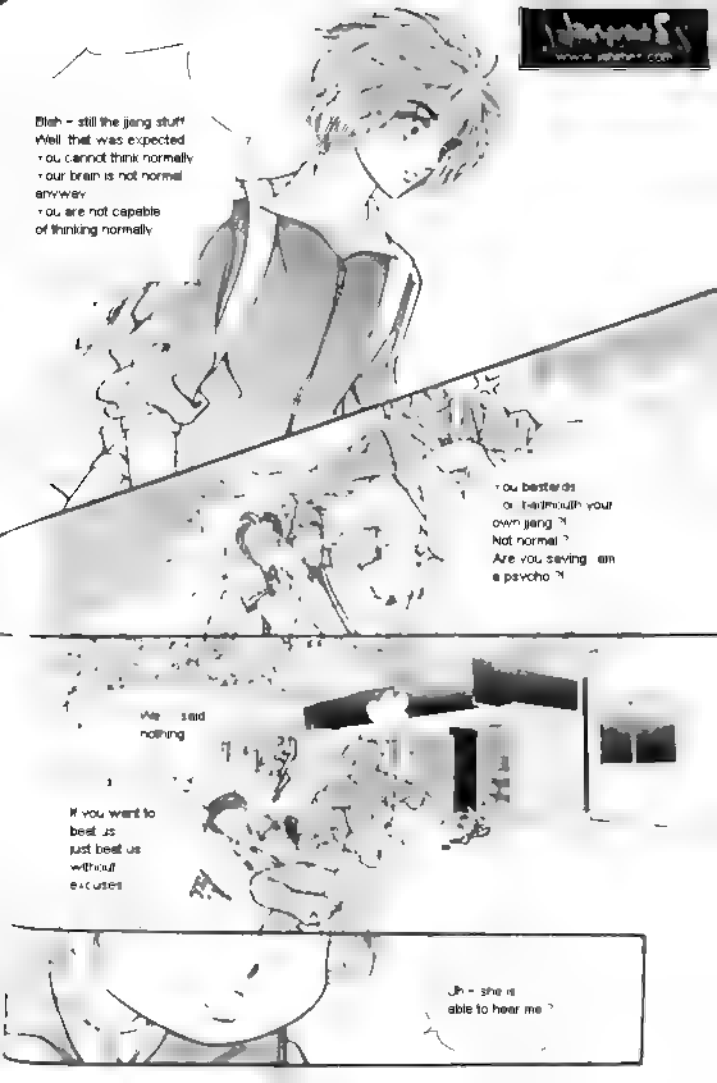
Ijang
on a date
today too huh
ou don't have
time for gathering
But you do have
time for a date see
We feel sad
ou simply
abandon us
after you
get your
own man
This this is not
a date
This this is
scouting
So so
am trying to
gather some
information about
Mu Hyeon Ha
Wow -
this is new
The Doberman is
blushing and
stuttering
This is way
too suspicious
Maybe she
really is on a
date
am not
this is really
scouting
So you
ARE on
a date

So they had to earn hits
Wasn't it a date
So it was my misunderstanding that it was a date
I feel like I was making a show with Mu Hyeon I feel miserable
www.janimes.com

What is happening
f not let s break up now
f you are going to play with people s feelings leave me out of it
ou two r ined everything He smiled and said he d buy me spagettie and all
You two are dead today !

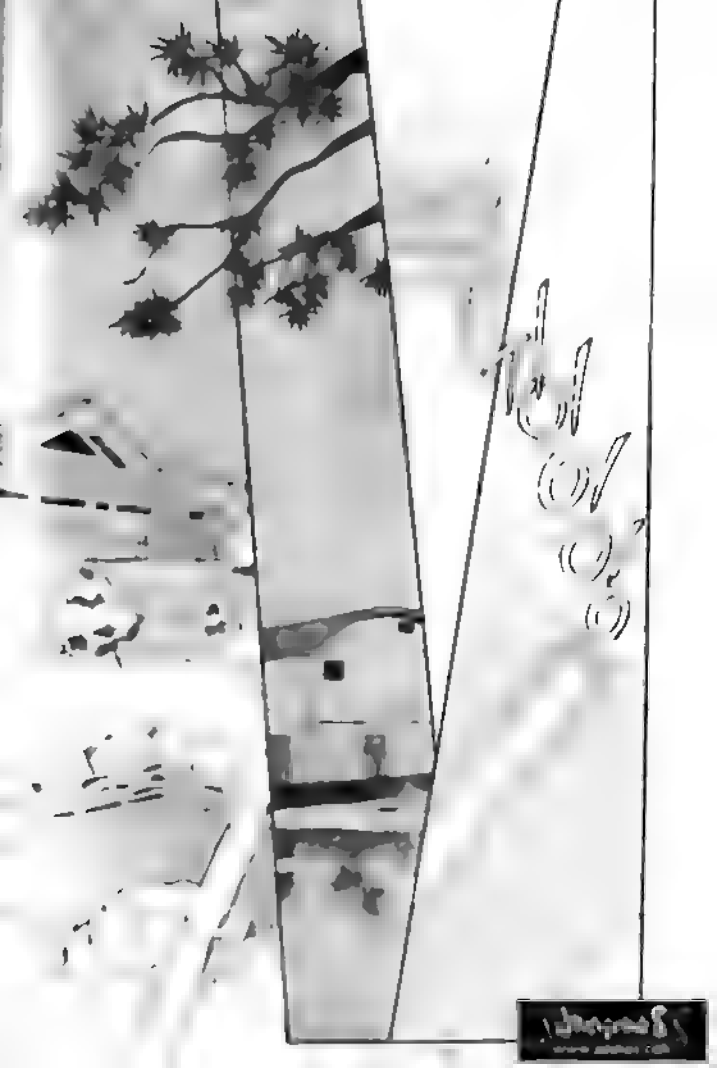
It was not our fault !
He was hurt by Jang's actions So he was shocked and left
Are you saying dumped him ? never said did
But you dumped his mind Unless you hate him go out with him almost no men will go out with you voluntarily
Of course am not saving you have no charm but he is a kingka f you let him go it is you who will regret
But like Sin too too

Then it s all good
Since you both like
each other there s
no problem right
eah
just go out
with him
Sorry
Han Seo
don t think
will be the jjang
you wanted me
to be
am ashamed
wasn t doing
my duty as a
jjang and
was on a date
Quit thinking of
a way to beat
crap out of s
and just be
a woman



Blah – still the jiang stuff
Well that was expected
You cannot think normally
Your brain is not normal anyway
You are not capable of thinking normally
You bastards
Or I should say your own jiang ?!
Not normal ?
Are you saying am a psycho ?!
We said nothing
If you want to beat us just beat us without excuses
Uh – she is able to hear me ?

Sad but a holy spirit after all
This is no time for this
Today is the day Aram will born
have to help



Come out now.
휙

Get treated right away. Father is waiting for you.
Just beg for mercy. He is very angry now.
Whatever you say, big brother

ou look fine
ooks like need to tell them to raise their level of punishment
Their levels were high sir
It s just that I've outgrown them That s all

"E xcelling in one area too much
s just as the same as being
not good in the area "
wanted brain from you
not muscle strength
Shouldn't it be
time that you tell me
why you confined me
in the punishment room
for a week
ou see
am a little bit
tired
was informed
that you were
under control of
a woman

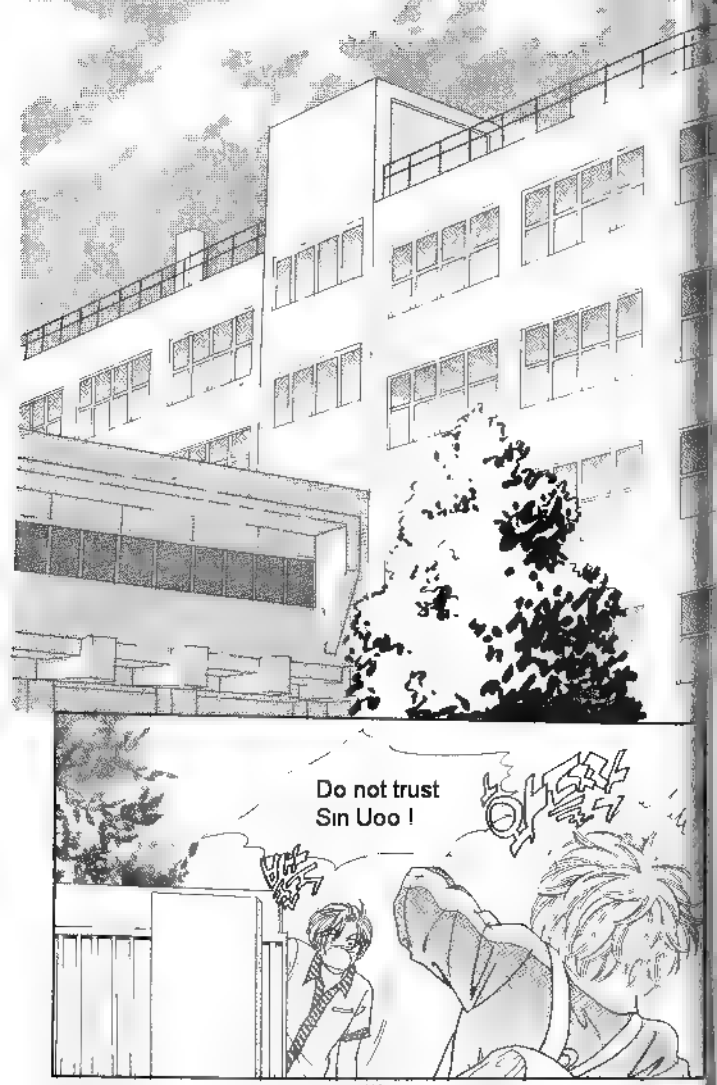
It seems such is called "jjang" by your generation
The problem is you are not a kind who'd hide strength like your older brother
That would leave me only one explanation that you put yourself under such a position willingly
ou are my son
Sin Joo Park this is your play huh!

www.janimes.com

do not care
how
Show the opponent
who should be upper
And also to yourself
as well
As you wish

That idiotic bastard
All he came up was
make me to finish
Ha li
Damn
I reckon he s
dancing with
joy since he
thought he found
a way to make
me perplexed
Sir !
He has blazing
fever
Call a doctor now
Yes !
This is why you
are no match for
me

our definition of love is
caring and more caring
But my ways of love is
an instinct of destruction
When it's not
going to be mine,
it will only call
for more desire
of destruction !



Do not trust
Sin Uoo !

What's with the dude
Do not trust Sin Uoo !
He has double faces Do not trust him
Are you trying to die sooner ?!

Where is he hiding ?!
He s dead when I catch him

Ha li's gone It s ok to come out
thanks

ㅇ/ㅇ

It makes me wonder you know
How can someone like you who has small guts do this to me

our skin has gone
though the most expensive
treatments
guess that s why
your skin feels nice
bet it will also feel nice
when put a knife on it
as well
Few large cuts and it will
leave scars that won t
go away even with
surgeries
Well
with a beauty
you have
it might just look
cool with few
scars no
Don t you feel
any pity for her
She is trusting
you
Shut up
am tired of
warning you
now
She
she s a
friend

She was the only person who treated me like a human being in the kindergarten
We got separated because she left the kindergarten soon after
But we met again as if it was destiny I am not going to let you run her
If the women you've played with listened to you right now they'd curse you and give you a good laugh
Congratulation for being a new man But get your hands off this case while you can
I am not giving up until you give up

Sin Uoo ~
No
Mu Hyeon has
been bothering
me since morning
So was in a
very mad mood
But feel
fine now
ou seem to be
in a good mood
Did something good
happen

Do not approach
Don't you dare to try to confuse me with Aram's smile and Aram's speaking
Do not erase Aram remember
Sin oo
Do not approach while exposing every bit of your emotion like Aram

Sorry
was thinking
something
Calm
down
This is
not like
you

Are you angry
You don't attend the after class right
No take private lessons instead
Then let's go on a date

How could you
have such a smile
and have no doubt
at all

Even after
you killed Aram

Look at this
Finally caught you
You dug your
own grave
Look at this
photo first
This is Aram Han
Aram Han
DUH

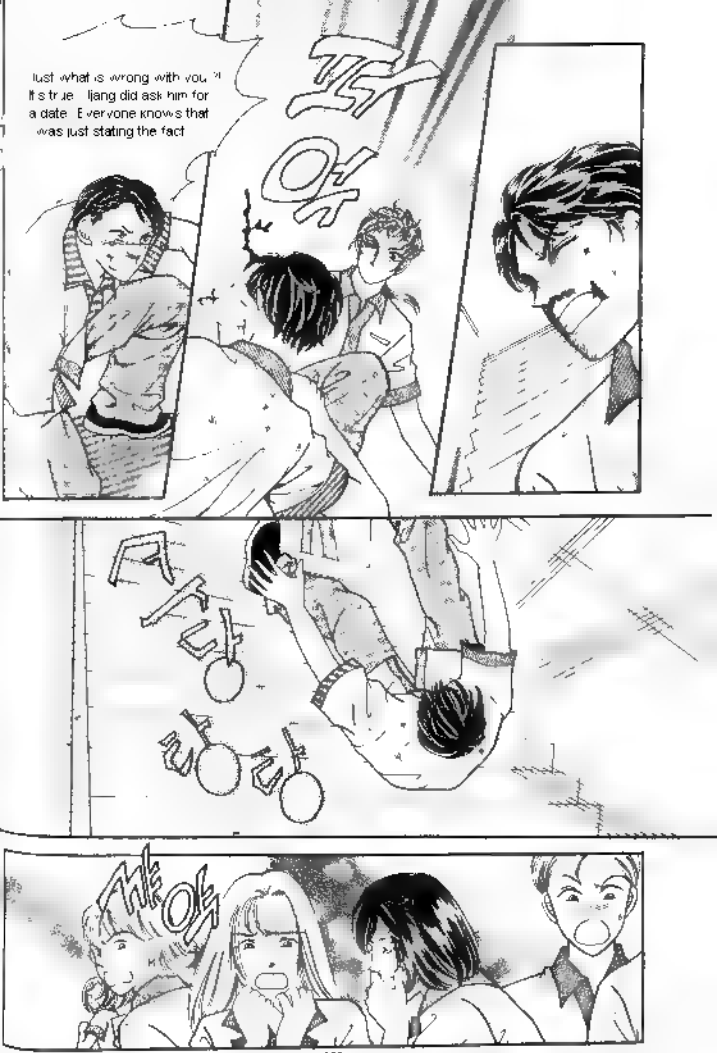
She was Sin Joo's fiancee
She was the only daughter of Asan Corp chairman
She had a good attitude and grades
Everyman would look at her when she was out on streets
Anyone in entertainment area had something to say about her
She looks weak but she couldn't lift a dumbbell
She was the only woman Sin Joo loved
He loved her so much that he has been experiencing insomnia ever since her death
Even you look at a mirror don't you? Don't you find it strange that he'd look at you not long after her death

So what you want to say is that am nothing huh?
No that was not my point
Well yeah guess am nothing compared to that woman
No even so you have your own set of charming points
Of course your so-called charming points have to be looked at with a microscope though
don't care

Whatever
If Sin Joo refuses me
I will simply force him
Well
She was
pretty
No wonder
Sin Joo and
Han Seo are
fighting
I guess Sin Joo
was really hurt

What a weird way to be troubled
Ijang We need you
Don't you know that you could get killed if you disturb me while eating
Help us Sang Sic is getting killed We cannot stop Han Seo

www.janimes.com



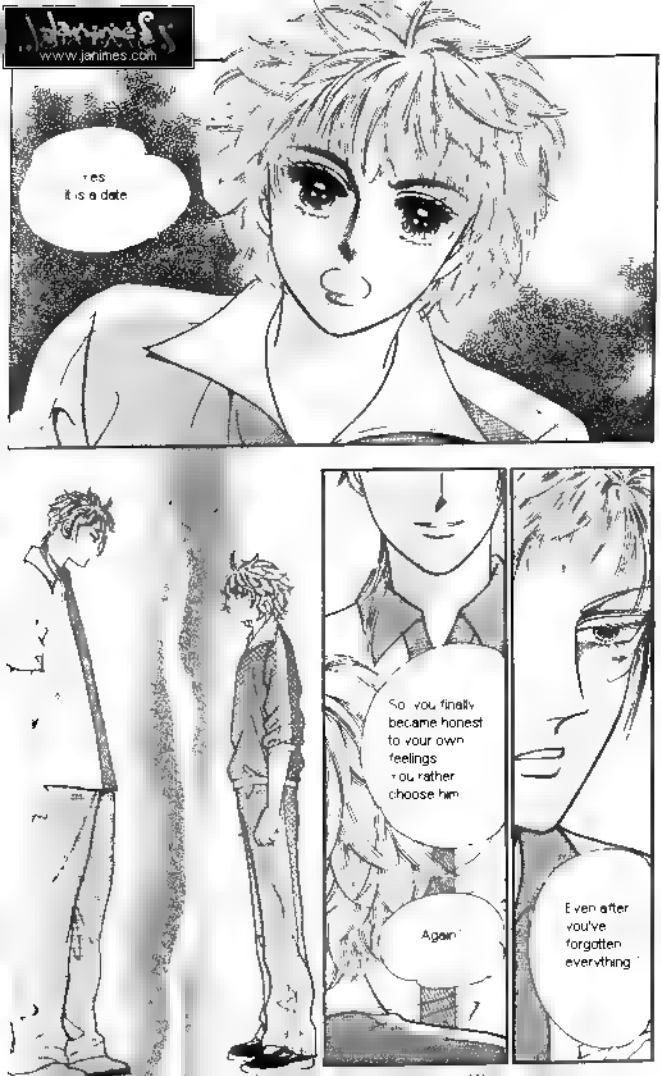
Just what is wrong with you ?!
It's true Ijang did ask him for a date Everyone knows that was just stating the fact

The weather is hot out there isn't it suffocating to be inside
Do you want some fresh air
Falling from 3rd floor will be enough to smash you into pieces !!
Han Seo
Han Seo !

You come to school after 10 days of absence and this is what you do ?!

Probably because my condition is hell your kick did some damage
Meet me at the hideout after school There is something that need to be done
No have an appointment today
No It's scouting
So called date see

www.janimes.com



Yes
It is a date
So you finally became honest to your own feelings
You rather choose him
Again
Even after you've forgotten everything

What are you talking about
I have no intention to support a gang that is loose
6 in the afternoon at the gym
Are you challenging me

ou don't look like
you are in a
good condition
Maybe you should
postpone

My strength is flowing now
f you want to postpone fine
There are other people can beat while wait anyway
Fine 6 o'clock

You want to avoid
yeah
But this is the first time he ever challenged me. So I cannot ignore
made him disappointed at me
I can't let him disappoint at me again
So you cannot disappoint Sin Joo
But you can disappoint Han Seo anytime you want huh?
You do know what am talking about right?
Don't play innocent with me

Fine don't know what this feeling exactly is
But it s a feeling that do not want to give up even f it means have to fight Han Seo headon
Even so
don't want to let go of this sensation
It s all because of the hot dog f he didn't give a hotdog to you you wouldn't be confused like now
why are you talking about a hotdog now Are you hungry

Even if he asks you to give up that feeling suppose that is not possible
Someone like you only knows one way
Even if there are others ways in front of you you only know the way you are walking
That s the problem you and Han Seo
And even Sin Joo Park they all know only one way

Even if Han Seo pushes you to an edge you won't withdraw trust you gave
Just like how you put your trust on him until the very end
You will only withdaw when someone you care is hurt
Jeong Hyeop says something do not remember and understand often
is he talking about the period do not remmeber

The short period
when Han Seo
did quit smoking

Everyone, out !
witnesses
No
stay where you are
need witnesses

need people to see that indeed defeat you.
So Sin Joo can find out his plan succeeded and will dance with joy.
Sin Joo again.
Why is he always talking about Sin Joo? They don't share any similarities.

www.jahmes.com

Damn
it's broken
don't think
Han Seo noticed
though
Hardened woods
are everywhere
Pick one

ou want me to use
a club ?!
f do will have
upper hand
빠악

ou've gone
too loose
ou don't
even realize
what situation
you are in
He is serious
He is really
going to fight
me

!@#$
Let's switch to hand to hand No weapon is better than fists

hit a vital part but he immediately attacked back
His reflex is way faster than normal

Hold a weapon
see
Just like
how know
Han Seo
throughout
He knows
every pattern
have
No
don't want
to fight you
with a weapon

Quit bluffing
You want to go hand to hand with your broken wrist ?

You knew
You knew and you still attacked
Obviously
My style is
break a bone
or two of
opponent before
start
Of course

This is the first time you face such a style !
You've already lost the will to fight! What's wrong with you! Come on, resist
Stand up

Stand up and fight !

If anyone calls her gang from now on will break their legs

Why

Your skill has exceeded mine a long time ago
Even have noticed that a long time ago

But why
why didn't you fight fairly and initiated a surprise attack ?

Because -
This is my true face.
NOW

Sin Uoo must be waiting for me ... I have to go ...
